I assume ord will take a long time. I want to go ahead and schedule a high level mtg to not get in to specifics but to let them know we consider the situaton to be a serious problem and every day they continue the practice is a problem. **Ex. 5 - Attorney Client**

We want to meet with the company, but they won't schedule a meeting until we send them the ORD data report. ORD does not want the report released before its internal QA/QC, peer, and administrative review is completed, which it says will take one month on an expedited basis. Ex. 5 - Deliberative
